SCHOOL MISSION

The mission of the school is to educate independent, creative and responsible people in social, environmental and cultural life.

The school helps the students to build their own identities based on respect for their national heritage and also for the representatives of different cultures.

Our aim is to prepare students to become active and compassionate adults who contribute to the creation of a better and more peaceful world.

RECIPIENTS OF THE DIPLOMA PROGRAMME

The aim of the IB Programme is to develop internationally minded people who, recognizing their common humanity and shared guardianship of the planet, help to create a better and more peaceful world.

The IB Diploma Programme is targeted at the second and third grade students of high school (for middle school graduates) and the third and fourth grade students (for junior school graduates). Students choose three subjects at the Standard Level (150 hours) and three subjects at the Higher Level (240 hours) within six subject groups.

The international baccalaureate program is addressed to people who are hard-working, systematic, willing to make sacrifices, full of enthusiasm and interesting ideas. Implementation of the program is a way of discovering one's own abilities, overcoming weaknesses, opening up to others. It gives the opportunity to learn effective work organization, interdisciplinary problem analysis and effective knowledge acquisition. It is the most valuable thing for the whole adult life.
